

The whole parish, in every family's pocket.

Parish OS brings families, sacraments, giving and parish life into one simple app, built for Catholic parishes and dioceses.

What it does for a parish

- ✓ Every household found in seconds
- ✓ Certificates prepared for the pastor's signature
- ✓ Easy giving for families, clear books for the council
- ✓ Announcements that reach every family
- ✓ A permanent, searchable record of every sacrament
- ✓ Catechism attendance and readiness handled for teachers
- ✓ A clean Mass book and Mass intentions
- ✓ A live overview of every parish for the diocese

41 capabilities across 8 areas

People and families

Family registry, Member profiles, Family parish card, Parish transfers and more.

Sacraments and records

Baptism, First Communion, Confirmation and marriage records, Sacrament preparation, Certificates with the pastor's signature, Certificate verification and more.

Catechism and formation

Classes by academic year, Attendance in seconds, Readiness for the next sacrament, Year-end promotion and more.

Giving and finance

Parish subscriptions, Offerings, Online payments for families, Finance overview and more.

Mass and liturgy

Mass intentions, Mass schedules and special Masses, Liturgical calendar, Daily liturgical information.

Communication and events

Announcements, Parish notices and notifications, Events, Optional WhatsApp messaging.

Security and oversight

Role-based access, Audit trail, Passkey sign-in, Parish operations hub and more.

The parishioner app

Family dashboard, Sacraments and catechism at a glance, Giving and subscriptions, Requests to the parish and more.

Try it free for 90 days

We set it up, bring in your records and train your team, with full access to everything. Continue only if you love it.

90 days

to enjoy it properly, in your own parish

Full access

every module, set up completely for you

Zero cost

free to try, with nothing owed if it is not for you

Your data

always yours, with a full export on request

- 1 Day 0: A friendly conversation.** We learn how your parish runs today and agree, in plain words, what a wonderful result looks like for you.
- 2 Days 1 to 7: We set it up.** Your parish space is created, your team is given the right access, and every module is switched on.
- 3 Weeks 2 to 3: Your records come in.** We bring in your current families and records and check them with you, starting with what you use most.
- 4 Week 4: Your team goes live.** Your priest and secretary are trained and begin using it every day, with us beside them.
- 5 Weeks 5 to 10: Your parishioners join.** You share a simple link with families. We welcome the first ones and celebrate how it grows.
- 6 Week 12: Review and decide.** We look at the results together. Continue if you love it. If it is not the right fit, you owe nothing and keep a full export of your data.

Your records, protected

- ✓ Your data belongs to your parish and diocese
- ✓ Hosted securely in the cloud and encrypted
- ✓ Digital copy beside your original registers
- ✓ Access by role, with a record of important changes
- ✓ Careful handling of children's information
- ✓ Mass offering rules left to canon law and your diocese
